

Laser Focused Code Compliant Examiners

COMPANY FOUNDING

Since 2004, the team at Quorum Services has performed a substantial number of building code compliant inspections, quality assurance reports, plans review and consulting services.

MISSION & GOAL

As a comprehensive, multi-service provider our mission is to provide a team of professionals which serves and instills the goals we practice on a daily basis. We deliver this with a dedication to the efforts and desired results to the clients we proudly serve.

SPECIALTY SERVICES

We work diligently every day to provide leading edge specialty services while ensuring that the delivery of them is first class. This approach is our measure of setting the industry standards and provisioning service levels that others merely cannot match.

Quorum Services provides you with code compliant plans review for all of your construction needs. We provision solutions for both the public as well as private sectors including municipalities, builder groups, and developers and are proven to be a reliable, efficient and cost effective resource. Our services are laser focused, multi disciplined and consist of certified examiners who take pride in understanding codes and evaluation as required by state law.

With the ability to work with you at your office providing on site code compliance services or as a direct extension of your team that is able to administer and fully support offsite needs we offer a wide range of ability and customized best practice results in a thorough, certified and professional manner.

Our Plans Review Expertise Includes:

- Building Code Compliance
- Constructability Review
- ADA / Fair Housing
- SREF and Design Standards
- Local Ordinance Compliance
- Energy Conservation Compliance
- Florida Accessibility Code
- Fire Protection and Prevention
- Life Safety
- Due Diligence Quality Control
- Design Specification
- Roofing
- Conflicts Identification
- Systems Applicability
- Materials and Finish Checks

We thrive in the ability to work hand in hand with you on any project of any size or in conjunction to requests that are able to grow as well as adjust resources to need and budget fluctuations. We will work progressively with you and offer a consistent delivery of services as well as a unique understanding of an issue as it applies to the building code.

We further specialize in the ability to work as an integrated private provider of your plans review and examination needs and welcome the opportunity to perform for you.

Efficient, Experienced and Cooperative

The team at Quorum Services desires to effectively facilitate your plans review needs to the best ability of our certified and licensed staff. We will focus upon our desire to understand what is expected of us and make the proper determinations regarding code and specification intents within the plan set.

Our goal is that our services work cooperatively with you to define the meaning of customer satisfaction and may assist our customers to attain the cost benefits of our expertise. Utilizing our abilities will improve the turn around time for review, provide code interpretation as needed and clearly identify any areas of non compliance within the design set.

We focus our experience on objective value added review services as a consultancy of professionals aimed to save and capture both time and money in the permit process.

Plan Review Highlights

- We are licensed, certified and trained in multi trade plans review and examination.
- We present our findings in a concise and easy to understand detailed electronic report.
- We will conduct meetings and reviews with your design professionals to resolve any changes that may be required.
- We offer turnaround times that are able to be coordinated to your construction timeline that will save you both time and money.
- We work through a detailed set of rules and functions that consider minimizing premium costs, minimize change orders and provide a true estimate.
